

AP Exam /SAT Subject Test

- *It is time to start SAT-S/AP exam preparations.*
- *SAT-S/AP exam results are as important as SAT-R results.*
- *Time is a crucial factor when it comes to Test Prep.*
- *Make an appointment to take a diagnostic test for SAT-S class*
- *Not sure which subject test to take? Ask us.*

Course Description Our SAT-Subject classes will be a 7-session course for the May test and a 12-session course targeting the June SAT Subject test. Each class includes 1 hour testing and 2-hour lecture. We also offer 12-session AP review courses for the various subjects. You may take a class less than the package course, and the tuition will be \$70/week plus material fee. Please contact us for the course availability.
