Elite of San Diego offers a variety of SAT programs!

Weekly SAT Program

Elite's popular weekly program allows students to customize their SAT prep, studying for as few as 4 weeks or as many as 32 weeks without significant repetition in materials. Classes include 1.5 hours of lecture in Math, Critical Reading, and Writing (total of 4.5 hours) plus a practice test each week. Students enrolled in our weekly program may attend review sessions at no extra charge. Students choose one of three basic schedules.

SAT SCHEDULE

Elite Essentials SAT Programs

These 8-week programs are perfect for students targeting the **March 13th** or **May 1st SAT's**. Elite Essentials is for students seeking the best in a basic SAT program. Tuition includes the enrollment fee, a diagnostic exam, initial counseling, 7 weeks of SAT instruction, and a special Review Session in the 8th week. Students can choose a Friday, Saturday AM or Saturday PM class and take a weekly practice test at a time of their choosing. For the March 13th test, classes begin Friday, January 22nd or Saturday, January 23rd. For the May 1st test, classes begin Friday, March 12th, or Saturday, March 13th.

Tuition: \$ (includes enrollment fee)

SAT Subject Test Courses

Elite's SAT Subject Test program targets the June 5th test date. Guided by experienced teachers, our students take a weekly one-hour practice test and attend a weekly two-hour interactive lecture. Classes begin March 20th and will meet for 11 weeks. Because enrollment is limited, we recommend signing up early. Classes will include **Biology, Chemistry, Literature, Physics, MathIIC, and U.S. History.**

Tuition: \$ - 1 class
\$ - 2 classes
\$ - 3 classes

**** (Math IIC classes are also offered at various times of the year aimed at particular SAT dates. Please call for details.)**

Summer SAT Programs

Summer is the ideal time to prepare for the SAT, and Elite offers many options for ambitious students. Elite's summer classes begin **Monday, June 21st** and end **Saturday, August 14th**.

- **Morning Boot Camp** classes are the most intensive - and often most effective - summer program. Students meet from morning to early afternoon, Monday through Friday, for 8 weeks.
- **2100 (Plus & Goal)** classes continue for 14 weeks, rather than 8 weeks, and are offered to students who meet certain minimum requirements. During the 8 weeks of summer students meet three times a week in the afternoon; in the fall, students meet on Saturdays.
- **Afternoon Boot Camp** classes meet five days a week from 2:00pm to 6:00pm. These intensive classes are a good choice for students who have summer school or internships.
- **Weekend** classes meet on Saturdays and are ideal for students whose summer schedules are already packed with activities.

Tuition: 2100 Plus & Goal
2100 Bootcamp
