

# SUMMER PROGRAM APPLICATION SERVICES

FOR STUDENTS IN GRADES 5-12

ENRICHMENT & TUTORING

Over **75%** of students admitted to Ivy League schools participated in a highly selective summer program

Securing summer programs, research positions, and internships is crucial to showcase your interests and experience. Our counselors and editors can help you with every aspect of the summer program application process!

## HOW IT WORKS

✓ Step 1

**Work with our college experts to build a summer programs list tailored to you.**

*We have a one-of-a-kind database with hundreds of high-value summer programs and know what it takes to get in.*

✓ Step 2

**Pick up to 5 summer programs to apply to – and devise an application strategy for each.**

*Brainstorming essay topics, tailoring your activities list, etc.*

✓ Step 3

**Craft compelling and persuasive essays to gain admission.**

*Elite's experienced editors will help you develop your topic and craft polished essays to increase your odds of admission.*

✓ Step 4

**Create a resume to highlight your experiences and strengths.**

*Stand out from the crowd and present the best possible version of yourself in your college applications.*

✓ Step 5

**Receive guidance on obtaining the best recommendation letters possible.**

*Learn what colleges truly value in applicants and get top-tier recommendations that highlight those qualities.*

✓ Step 6

**Compare summer program admissions offers – and pick the best option for you!**

*Choose the program that will offer the most meaningful experience and prepare you to succeed in college and beyond.*
